

2018-2019 Fee Schedule

The following tables outline the fees payable for the 2018-2019 academic year. Fees are reviewed annually and are subject to change. All fees are quoted in Singapore dollars and are inclusive of the 7% Goods and Services Tax (GST).

Non-Refundable Enrolment Fee for All Students:

*The Enrolment Fee for new students will be billed upon signing the Placement Letter. Returning students will be billed upon confirmation of re-enrolment for the following academic year.

Supportive Education Course Fees:

The Winstedt School engages a team of learning support specialists, Speech and Language Therapists, Occupational Therapists, Clinical Psychologist and Behavioural Consultant, as well as specialist teachers to deliver an integrated support approach to more effectively meet the needs of students who learn differently. For many families, this provides a more effective and economical way to support children in school, rather than scheduling outside tutoring, private therapy sessions or shadow teachers.

Supportive Education Course Fees	Readiness/ Reception	Years 1 & 2	Years 3, 4 & 5	Years 6, 7 & 8	Year 9
Total (Inclusive of GST)*	\$36,979	\$38,263	\$39,119	\$39,975	\$40,660

Students from Year 4 are expected to bring a laptop. If you don't own one, we recommend purchasing a Mac with the Microsoft Office Suite.

*Supportive Education Course Fees are inclusive of integrated support services, Fee Protection Scheme (FPS), medical insurance, GST, some local field trips and some ECAs.

Course Fees:

Students without learning challenges will not have access to integrated therapy, support specialists, nor the guaranteed presence of two teachers in every class. They will have the option of additional Mandarin, Music or Art classes in place of integrated therapy.

Sibling Discount:

We encourage siblings to enrol in the School so they can also benefit from our small classes and personalised approach to learning.

For siblings, either by birth or adoption, enrolling at The Winstedt School, a 25% school fee discount will be applied for all additional siblings. This means that one child will be billed for the full school fees; all subsequent children will receive the 25% school fee discount. The discount will be applied to the child(ren) with the lowest tuition rate(s).

The sibling discount does not apply to the Enrolment Fee or to the Administrative Fee for termly instalments.

Pro-Rated School Fees

New students enrolling after the start of an academic term will have their tuition fees prorated by month. This means that students commencing classes mid-month are required to pay tuition fees for the entire month in which they commence. To request a specific pro-rated tuition amount, please contact finance@winstedt.edu.sg.

Supplemental Learning Support and Individual Therapy Fees:

Some students are recommended for additional learning support or individual therapy, above what is provided through the integrated therapy model included in the School fees. Supplemental therapy needs will be determined during the admissions process in partnership with the parents. These fees are invoiced four times per year.
